

### REMARKS

The instant Application is a divisional application of U.S.S.N. 10/076,191, in which Applicants desire to prosecute the Claims of Group VIII of a restriction requirement issued during the prosecution of the '191 application on October 9, 2003. Thus, in this preliminary amendment, Applicants have amended the Specification to include a Cross Reference to Related Applications paragraph that states the instant Application is a divisional application of U.S.S.N. 10/076,191, have canceled Claims 1-29 and 32-33, without prejudice, and have rewritten Claim 30 in the form of an independent claim. The instant Amendment introduces no new matter into the instant Application.

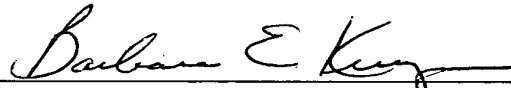

### *Fees*

No fees are believed to be necessitated by the instant response. However, should this be in error, authorization is hereby given to charge Deposit Account no. 18-1982 for any underpayment, or to credit any overpayments.

### CONCLUSION

Applicants respectfully submit that the Claims as amended are believed to be in condition for allowance. Thus, early and favorable action on the claims is earnestly solicited.

Respectfully submitted,
